

مدرسة السعد العالمية
A'soud Global School

AGS is privileged to have a proactive and supportive parent body. The AGS PTA is comprised of a group of AGS parents and teachers who volunteer their time with the aim of strengthening bonds between AGS families, staff and students in order to build a healthy school community. **All AGS parents and teachers are welcome to be a part** and meetings are held regularly throughout the school year.

One way that the AGS PTA builds community is through organising fun and entertaining events each term. These events include the International Day, which is a wonderful opportunity to celebrate the cultural diversity of the school community, and the Spring Fair, which is an entertaining afternoon filled with fun activities, delicious food and an array of interesting stalls to visit. The AGS PTA also hosts a school Iftar during the month of Ramadan, which is a highlight of the school calendar.

If you have any suggestions for further PTA initiatives or would like to get involved please email agspta@yahoo.com.
