

Grade 2: Long Term Overview

	Term 1: First half September – October (7 weeks)	Term 1: Second half October – December (8 weeks)	Term 2: First half January – February (6 weeks)	Term 2: First half February – April (7 weeks)	Term 3 April – June (7 weeks)
	Spelling, punctuation, grammar and handwriting will be taught within each unit throughout the year.				
English	Stories About Things We Know Fiction Writing – Familiar Settings Traditional Tales Fiction writing – The Gingerbread Man	Poetry Fiction – Repetitive poems Instructions Non-Fiction – Instruction writing	Tales from Around the World Fiction Writing – World Stories Poetry Fiction - Nature	Under the Sea Fiction writing Non-fiction – Non-Chronological Report	Stories by Famous Writers Fiction writing – Adventure Stories Poetry Fiction – Limericks
Maths	Place Value <ul style="list-style-type: none"> - Recognise the value of each digit - Compare and order two digit numbers. Addition and Subtraction <ul style="list-style-type: none"> - Add tens and ones to a two-digit number. - Subtract tens and ones from a two-digit number. 	Addition and Subtraction <ul style="list-style-type: none"> - Add and subtract two digit numbers. - Solve addition and subtraction problems. Measurement <ul style="list-style-type: none"> - Recognise coins of different value. - Count coins of different value. Multiplication and Division	Multiplication and Division <ul style="list-style-type: none"> - Recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables. - Solve multiplication and division problems. Statistics <ul style="list-style-type: none"> - Interpret and construct simple 	Fractions <ul style="list-style-type: none"> - Recognise, find, name and write fractions $\frac{1}{2}$, $\frac{1}{3}$, $\frac{1}{4}$, $\frac{2}{4}$, $\frac{3}{4}$ Measurement <ul style="list-style-type: none"> - Length and height Time <ul style="list-style-type: none"> - Tell and write the time in 5 minute intervals. 	Position and Direction <ul style="list-style-type: none"> - Order and arrange patterns and sequences. - Use mathematical vocabulary to describe position and direction Measurement <ul style="list-style-type: none"> - Capacity - Temperature - Mass

		- Recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables.	pictograms, tally charts, block diagrams and simple tables - Ask and answer simple questions. Shape - Identify and describe the properties of 2D and 3D shapes.	- Know the number of minutes in an hour and hours in a day.	Problem Solving - Solve one step and two step problems involving the four operations.	
Science	Light and Dark	Electricity	Plants and Animals	Materials	Rocks	Night and Day
IPC	Brainwaves We Are What We Eat	It's Shocking	The Earth Our Home	What's it made of	Treasure Island	Time Travellers
Art	Drawing Fruit	Creating Lightning Storms				
Music	Singing Scales/Rhythmic Games	Aural Skills/Singing Songs	Rhythm Games/Composition	Songs with Rhythmic accompaniment	Aural and Composition Skills	
PE	Games/Ball games	Gymnastics: Coordination and Balance	Athletics	Invasion Games: Rugby, Handball, Basketball	Striking and Fielding	

Important:

Please note that the topics listed above are a guide to what will be taught this year. Topics can be changed due to pupils' needs, interests and opportunities that arise. Also note that the time frame suggested for each topic is also liable to change; some topics are covered more quickly, others take longer than originally expected.
