Learning Journey

KG2 – Autumn 2- 2019

The children have all settled really well into Kindergarten 2 classes in the first half term, a big well done to both children and parents. This year is flying by so quickly with so many exciting things ahead of us. It will be Winter Vacation before we know it!

- This term's learning Journey topic is: **Weather Wonders (Based on the book 'Elmer's Weather' by David McKee)**. We will be observing and discussing seasonal changes. Looking at similarities and differences in the world around us.

Home Learning: fifteen minutes every day

These are some things you can be doing at home to embed and practice skills learnt in school:

- Read with your child on a daily basis
- Read through and identify the words on your child's High Frequency word mat.
- Talk about things we have done at school each day with your child.
- Recognise numbers, shapes, writing in the local environment.
- Practice letter and number formation on the laminated cards in book bags.
- Encourage your child to be more independent when dressing and preparing for the school day.

Phone Numbers

Please ensure all contact numbers are up to date at the office in case of emergencies.

Spare clothing

If you have any spare children's uniform please can these be donated to school, particularly underwear's trousers/ leggings and T-shirts. Thank you
