Some more information about the PTA.....

What is the PTA?

PTA stands for parent teacher association. The PTA is a small group of parents and a few teachers who volunteer their time and resources to organise a variety of events for the children, parents and staff at school in order to build a sense of community, create opportunities to have fun together, raise funds to benefit all pupils at AGS and for the school

community to get to know each other better. We want the whole school experience to be the best that it can be for everyone.

We currently are a very small group so that means the work load is rather big for each person when we try to organise events. Please consider getting involved in any way you can. If many people contribute just a little bit then each person's work load will be small and thus make it more enjoyable and practical for people to be able to help.

Who are the PTA at AGS?

Currently the key PTA members are...

Sakenna Tabassum Yousuf ~ joint chairperson

Johnathan Gordon ~ joint chairperson

Maimoona Munam ~ treasurer

Khatoon Ali Al-Nooh ~ social representative

How do I get involved in the PTA?

Please come and say hello to any of the PTA members and/or drop an email to agspta@yahoo.com, we would love to meet you.

If I get involved in the PTA will I be given some horribly big job that I won't manage to do?

Absolutely not. Each person can contribute as much or as little as often or as infrequently as they want to. No one will ever be burdened with something they don't want to or can't do!
